## Important Information

Children should arrive no more than 5 minutes before class and leave immediately at the end of their class. Instructors are not obliged to look after the students once the class is over. It is dangerous for them to be left unattended either in the school or in the parking lot. Parents/guardians are therefore requested to pick up their children immediately after class.

If NO in advance notifications are given, there will be No make-ups or skipping for any classes that student misses. However, if a class is cancelled due to reasons beyond our control, all reasonable effort will be made to have a make-up class. Paid classes if unattended for over 3 months or 12 weeks will be automatically cancelled.

Full payment (cash or cheque) and a completed registration form must be received before a space can be reserved for a New student. Registrations are not accepted by phone or fax.

A term consists of 10 consecutive classes; each class is 90 minutes in length (classes will not be held on public holidays). Returning students should pay at their 10th class before the new term starts.

If it is necessary for you to cancel your child's registration, you must do so at least one week prior to the start of the term. No credits or refunds will be given once a term has begun.
